

Data privacy statement

The privacy of your data is important to us. We, Mostec AG, are committed to complying with the applicable data privacy laws. In the following passage, we will inform you about what information is recorded and processed in relation to the Mostec smartphone apps provided. We assure you that we will only use your data for the purposes described here and will not transfer it to any third parties or use it in any other content than the function of the app.

2. Personal data

In order to facilitate anonymous use as much as possible, no registration is necessary. No personal data will be collected. No data is stored on our servers.

3. Use of camera data

Currently, we do not use the camera for our apps. The apps do not need to have access to the camera. The app will run without granting access to the camera.

4. Collection and use of location data

Our apps do not need access to your location data and therefore do not use the location data. The app will run without granting access to the location services.

5. Legal Bases

The processing of personal data is carried out on the basis of legitimate interests (according to the Swiss DSG law 1.September 2023), in the provision of the app on our part and use on your part. If the storage of information in your mobile device or access to information already stored in your mobile device is absolutely necessary for the use of the app, the same law forms the legal basis.

6. Duration of storage

Currently we do not store any data on our servers.

7. Case-by-case decision

An automated individual decision will not take place.

8. Data subject rights

If the legal requirements are met, you have the following rights:

- Right to information
- Right to correction and completion
- Right to delete
- Right to restrictions
- Right to object to its use
- Revocation of your consent
